

## Homecoming 2019

To many KDS High School students the annual Homecoming celebration is the most exciting event of the school year. Homecoming Week 2019, September 16-20, featured fun dress-up days leading up to the big Homecoming game. Students, as well as many teachers, dressed up in pajamas, as cartoon and TV characters, as cowboys or cowgirls, as aliens and other fun looks. The pep rally on Friday was Class Colors Day with students wearing their colors and showing their class pride.

The week of fun culminated with the crowning of the homecoming king and queen, seniors Ben Sutton and Mackenzie Pitt, followed by the Homecoming football game.

The Homecoming Parade was held on Thursday afternoon. Led by the marching band and color guard, members of the homecoming court rode in convertibles, waving and tossing candy into the crowd, and the classes showed off their class floats.

Also in the parade were members of all three Patriot Football teams as well as players from the youth league football teams.
