

NSDAR Provides Funds for Projects at KDS

KDS was pleased to once again receive support through a generous contribution by the Friends of DAR Schools Fund during the Friday afternoon DAR School Luncheon. National School Chair Peggy Troxell made the presentation following the reports of the KDS DAR School student representatives.

More than \$25,000 was awarded for the Elementary School Arts Enrichment Program, art and music supplies, utilities expenses for July through December, and Child Development classroom aides.

The National Society Daughters of the American Revolution encourages its members to support the DAR School program through the Friends of DAR Schools Fund. The Friends of DAR Schools Fund contributions pay for needed projects at the six DAR-supported schools.

"What a blessing to have these funds from the Friends of DAR Schools Fund! KDS is so fortunate to have the support of NSDAR and the DAR School Committee," said Executive Director Heather Green.

Through the Friends of DAR Schools Fund, the National Society and the DAR Approved Schools are working together to address the greatest needs of the schools and their students. Thank you for your support of this valuable program!
