

KDS Charm Bracelet

A beautiful, new KDS Charm Bracelet will premiere at Continental Congress. The gold-tone bracelet and the charms are being designed by Pamela Wright Collections.

The bracelet with the first charm attached – KDS logo - will be sold for \$40. There will be an additional charm available for purchase – a rendering of the Jacobs Building – for \$20. A limited number of charms will be released each year so people may collect them.

The KDS Charm Bracelet and additional charms may be purchased through the online store at www.kdsdar.org beginning July 1.
