

KDS Students Kick Off Super Citizen Program

The Next Great Americans Bus Tour with Libby Liberty™ brought an amazing experience to 2<sup>nd</sup>, 3<sup>rd</sup> and 5<sup>th</sup> grade students from Marshall County. Almost 1,000 students from Marshall County Schools left their events feeling empowered and ready to learn how to be a Super Citizen.

More than 100 crown-wearing, flag-waving KDS fifth graders cheered, clapped and counted

down to a grand entrance by Libby Liberty™. Fresh off her Next Great Americans Tour bus, the lady in green brought history to life and introduced students to the 10-week civics, character, financial literacy and social studies program they'll begin back at KDS after her bus rolls away.

The crowd hung on Libby's every word as she brought history to life on stage. Libby Liberty especially loved seeing the students, teachers, parents, and city/school leaders rise to their feet singing "Only You," the tour anthem.

Approximately 575 second graders from Marshall County Schools, including more than 100 from KDS, cheered and counted down to the grand entrance of Libby Liberty™. Wearing green paper crowns and waving tiny American flags, they showed their enthusiasm for the Super Citizen Program they'll begin after the theatrical performance.

After class photos with Libby, students and teachers return to classrooms energized to learn crucial, all-American lessons. They'll

also begin the process of nominating and honoring "Helping Hands Heroes" who they will honor at their graduation celebration when the program is complete for this year.
