

KDS Honors Veterans in Many Ways

Veterans Day is a time to remember those who have sacrificed so much to protect our country and our freedoms. KDS students, faculty, and staff as well as the Gunter Mountain Chapter, NSDAR, and the Gunter Mountain Society, C.A.R., took time out to honor local military veterans and remember those who made the ultimate sacrifice for our country's freedom.

KDS High School and Middle School students celebrated Veterans Day on Friday, November 10th with a program to honor military veterans. The program included presentation of the colors, musical tributes from the KDS choral groups and concert band, introductions of local veterans in attendance, and an inspirational address by Dr. Jerry Culbertson, who was a member of the United State Air Force and served in Viet Nam.
