

## KDS Promotes Autism Acceptance

Each April, KDS students, teachers, and staff observe Autism Acceptance Month with efforts to spread awareness, promote acceptance, and ignite change. During the week of April 5<sup>th</sup>, students in Pre-K through high school were given age-appropriate information about this developmental disorder that affects so many people worldwide, including students at KDS.

This year everyone was encouraged to wear blue to show their support for Autism Awareness and Acceptance. Students and teachers were given the opportunity to purchase custom t-shirts designed for the occasion by 2017 KDS graduate Chase Kendrick.
