

KDS Receives Very Special Gift

During Dedication Day, KDS Executive Director Heather Green took part in a very special presentation. Christina Ramos, a Daughter from California, was the winner of President General Marie Hirst Yochim's beautiful bow pin at the Junior Membership luncheon during Continental Congress 2018. Christina knew that Mrs. Yochim was a very dear friend and avid supporter of KDS, so she donated this very special pin to the school.

Thank you, Christina, for this thoughtful and generous gift!
