Friday, November 24, 2017

6:00 p.m. - 8:00 p.m.

Becker Hall

Please make plans to attend and support this incredible event!

Daniel, a KDS Class of 2004 graduate, had a positive impact on everyone he met. Through the Daniel Helton Memorial Scholarship, we can honor his life and continue to improve others' lives for many years to come. Daniel demonstrated his value of education through his academic achievements. He graduated at the top of his class, earned a Biomedical Science degree from Auburn, and returned to Grant to share his knowledge as a science teacher. It is fitting that we would honor Daniel by giving students the opportunity to further their education. Please consider donating to carry on Daniel's legacy.
