

KDS Students Raise the Freedom Flag

The Freedom Flag Foundation's *National Freedom Flag and World Trade Center Steel Education Program* invited Kate Duncan Smith DAR School to serve as Alabama's first school to display the Freedom Flag and present an educational program about the events of September 11, 2001.

KDS DAR School High School PatriotVision students prepared a moving tribute for the 20th Anniversary of 9/11. It included a historical overview and the explanation of the flag's ten elements. The presentation can be viewed on the Kate Duncan Smith DAR School Facebook page:
