PARTY PRINCIPLES – Republicans believe:

1. Individual citizens are willing and capable of managing their own affairs without government intervention.
2. The local, state, and national government must pursue policies designed to encourage individual initiative and induce people to be responsible for their own economic, political, and social well-being.

4. When a function is undertaken by government, it should be performed by that government closest to the people which will provide as much direct control by those affected as reason and wisdom require to assure freedom and liberty to all citizens with justice under the law.
