

Oakdale Chamber of Commerce Member Benefits Packet

Where Local Businesses Turn Connections Into Growth

Established in April 1917, the Oakdale Chamber of Commerce has proudly served the Oakdale community for over 105 years. We were founded on the belief that thriving local businesses are the heart of a thriving community. Our Board of Directors and staff are made up of passionate business leaders who are deeply invested in the success of our local economy. **Our mission is to maintain the high quality of life in Oakdale through collaboration, connection, and support of local businesses and community partners.**

Our mission is simple: to connect businesses with each other, the community, and local leaders in ways that drive growth and success. From networking events to advocacy initiatives and community programs, we provide the tools and opportunities members need to thrive in a competitive marketplace.

What We Do:

- **Advocate for Local Businesses:** We represent the interests of our members at the city, state, and regional level, ensuring a stronger business environment.
- **Create Networking & Growth Opportunities:** Through mixers, ribbon cuttings, seminars, and other events, members build valuable relationships that lead to real business growth.
- **Provide Marketing & Visibility Resources:** Members gain exposure through our website listings, social media promotions, digital ads, and member-to-member promotions.
- **Offer Leadership & Involvement:** Chamber committees offer ways for members to lead in areas like economic development, membership growth, agriculture, and more.

Beyond Business:

We also support community enrichment through the Oakdale Chamber Foundation, a 501(c)(3) nonprofit organization dedicated to giving back to our community. The Foundation invests in our youth and local traditions through initiatives like general scholarships, agriculture-focused scholarships, and signature community events that bring families and visitors together. Through these efforts, we help foster education, leadership, and community pride in Oakdale.
