- Trim shrubs / hedges; pull weeds on walkway path
- Spread mulch throughout shrub / flower beds
- Brush clean upper ceilings / awning (remove cobwebs, etc. dirt)

Tools needed: rakes; elec. hedge trimmers; branch loppers; extension cords; weed spray

Pavilion Entrance (Walkway & Garden area)

Priority: Low - Medium

Team Lead: **TBD**

Team size: 1-2 people

Skill Level: Easy

- Pull weeds in garden; and surrounding trees along walkway paths
- Clean flower beds & add mulch

Tools needed: rakes; shovels; hand trowels; manual hedge clippers; weed spray; gloves

Trailer for debris haul-away

Team Lead: **TBD**

Team size: 2 people

Skill Level: Medium

- Assist station teams bringing their debris piles to trailer
- Be available to haul trailer away & arrange for dumping at landfill or alternative

Tools needed: Trailer; tarps; gloves; branch cutters; shovels (***Tarps at each station area for debris gathering*)

POSSIBLE ADDITIONAL ACTIVITIES

Pressure Washing

Priority: Low - Medium

Team Lead: **TBD**

Team size: 1-2 people

Skill Level: Medium

- Power wash remaining sidewalk path areas leading from the youth hut, down to the pavilion
- Spray off mold / moss from rear pavilion door patio block
- Spray off (*light pressure setting*) mold / dirt from stucco columns along main building walkpaths

Tools needed: Pressure washer(s); hoses (already onsite at church)

Indoor Cleanup

Priority: Low - Medium

Team Lead: **Pat Thompson ?**

Team size: 2-3 people

Skill Level: Easy – Medium

- Organize back storage closet in pavilion (for preparation of Christmas decorations)
- Organize electrical/storage closet in back of sanctuary

General Housekeeping

- **Many Hands Make Light Work** Ages 8-80, all hands are welcome; we'll help get you w/ the right activity
- Team leads please plan to arrive by 7:45 (if *available*) to meet briefly before others show
- Come when you can; stay as long as you're able..
- We'll have coffee and breakfast refreshments available in the morning
- There is a barrel full of previously left-behind tools (in storage trailer) available for anyone to use
- If you bring your own equipment, please take back w/ you; or we'll gladly accept them for a next clean-up
- **TARPS** are always a definite need ***They're much easier to use (vs. wheelbarrow) for debris removal*
- If you have an older, rougher shape tarp, please bring or donate – as they can often get torn or cut
- **PRAY** for a beautiful weather day !!!
- Please see Lin Celoni or Andy Jackson with any questions
- **Have FUN; Worship GOD; and fellowship while beautifying HIS home & property**
