**ACCESSIBILITY & DISABILITY
COMMISSION PRESENTS**

ACCESSIBLE HOUSING TOWN HALL

The Accessibility and Disability Commission is hosting a Town Hall Meeting to hear from the community about accommodations that would help create accessible housing of all types including Accessory Dwelling Units. This input will be used by the Commission as they create an Accessible Housing Guide for community use. The Commission looks forward to hearing from people with disabilities, their family members, caregivers, service providers, or anyone with ideas on improving accessibility for all.
