CENTER FOR DEVELOPING KIDS

PASADENA PUBLIC HEALTH DEPARTMENT

Free Workshop: Affirming Autism in a Changing World

This **training for educators/professionals** offers a neurodiversity-affirming, sensory-informed, & anti-racist approach to understanding autism. Participants will learn how sensory processing, regulation, communication, & lived experience shape behavior, & explore identity-affirming strategies that support true connection and inclusion.

Tuesday, June 30
9:30 - 11:30 A.M.

Jefferson Library Auditorium
1500 E. Villa St.

ABOUT THE PRESENTERS

DR. ANJALI CARRASCO KOESTER, OTD, OTR/L

AnjaLi Carrasco Koester is an occupational therapist specializing in sensory integration for children with hearing loss, Tourette's syndrome, and inclusive practice, and she teaches Ayres Sensory Integration nationally and internationally.

DR. MICHAELANN GABRIELE, OTD, OTR/L, SWC

Michaelann Gabriele is an occupational therapist and USC faculty member with expertise in sensory integration, pediatric feeding and swallowing, advocacy, and documentation, grounded in years of clinical practice and policy work supporting children and families.
