LUNCH at the LIBRARY

To address food insecurity over the summer months while promoting literacy, the Lunch at the Library program offers children and teens free books and activity kits at various locations throughout the city, where free lunch is served starting in June. By pairing reading and libraries with food access, we can provide the youth of our community with two major ingredients they need to succeed in school and beyond – healthy food and literacy.

Summer Meals Program

Jefferson Branch Library will provide free lunch for children and teens as part of the summer meals program, in partnership with Pasadena Unified School District.

Lunches are available on a first-come, first-served basis, while supplies last. A STEAM craft or music activity will also be offered. *For ages 0-18.*
