

COMMUNITY POLICE OVERSIGHT COMMISSION PRESENTS

PRETEXTUAL STOPS COMMUNITY FORUMS

The Community Police Oversight Commission will be hosting two public forums to hear from the community about their thoughts on the use of pretextual stops by the Pasadena Police Department. These conversations are part of a broader effort by the Commission to research and make recommendations to the Pasadena Police Department about the use of pretextual stops.

For those who cannot attend in person, your thoughts and experiences can also be emailed to CPOC@cityofpasadena.net.
