

Pasadena Solar Home Tour & Info Session

Saturday, July 11 2026
10:00 AM - Noon

1288 N. Garfield Ave
Pasadena

Learn how rooftop solar investments can:

- Dramatically **reduce** your electricity rates
- **Qualify** for PWP's new rebate program
- Help us **achieve** Pasadena's goal of carbon-free electricity by 2030

Get all your questions answered! The info session will feature tours of nearby solar installations at various homes (all within a 10 min walk). Learn about solar and better incentives from Pasadena Water and Power staff. **Refreshments served.**

ACT NOW - SOLAR REBATES ARE BACK!!

Join **District 3** residents and friends, together with District 3 Councilmember

Justin Jones, in discussing the benefits of rooftop solar. Tour neighborhood solar installations and hear residents share their experience with installing and operating their systems.
