Announcing New Director of Marinas: Tim Petrick

The Port of Bremerton is excited to announce the hiring of Tim Petrick for the Director of Marinas position. Tim will oversee operations at both Bremerton & Port Orchard Marinas, including routine maintenance, financials, and major construction projects.

Tim has over two decades in maritime experience, most recently serving as the CEO/Harbormaster for the Crescent City Harbor District. Here, he oversaw a \$2.5M operating budget and \$10M+ worth of grant-funded projects, as well as managed a staff of 21. His public experience has been expansive, with Port leadership trusting that he will carry this knowledge to great use at the Port of Bremerton.

With the move from California, Tim is bringing with him his wife, three children, and three dogs to our beautiful county. Having family in the area and a love for the nature and culture present, he is excited to embark on this new chapter.

To contact Tim directly, please email timp@portofbremerton.org or call (360) 813-0829.
