## Regional Firefighter/Paramedic Exam

On October 6, 2020, the Mayfield Heights Civil Service Commission, along with the Civil Service Commissions of Euclid, Highland Heights, Lyndhurst, Mayfield Village, Pepper Pike, Richmond Heights, and South Euclid, hosted the Eastern Cuyahoga County Regional Exam for entry level firefighter/paramedic. There were nearly two hundred exam applicants eager for the opportunity to have their names placed on the

eligibility lists with eight fire departments. Results from the exam are pending.

The Mayfield Heights Fire Department anticipates over 100 candidates on the potential new hire certification list. The regional exam is expected to become an annual event with the possibility of additional cities taking part. Stay in the know for upcoming tests by joining the Northeastern Cuyahoga County Regional Exam Facebook page [here](#).
