

Unemployment Claims Fraud Is On The Rise.....

 **UNEMPLOYMENT FRAUD ALERT**

The COVID pandemic has created economic hardship for many and identity thieves and fraudsters are alert to the opportunity to fraudulently claim for benefits using stolen identities as unemployment claims skyrocket.

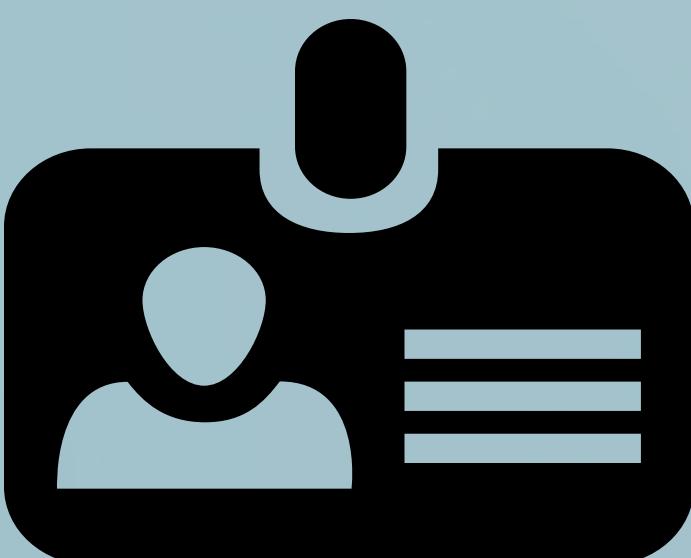

Victims are usually unaware of the fraud until they receive notification from the authorities concerning benefits they didn't apply for.

We have seen a surge in individuals seeking our assistance to report the fraud and help protect them from further damage.

What to Do?

The IRS is warning taxpayers of an identity theft scam involving fraudulent claims for state unemployment benefits. Learn more by clicking on the IRS Logo at left.

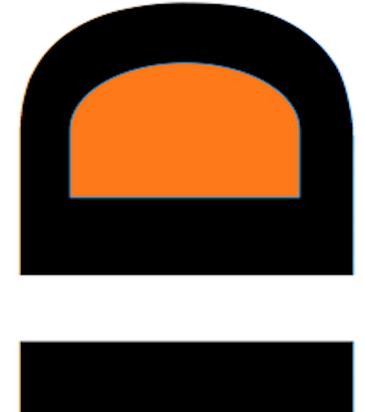

We need to be vigilant in protecting our personal information. Don't be careless about monitoring on line accounts and other records for any signs of suspicious activity
