

**GOLDEN STETHOSCOPE AWARD
SIERRA SACRAMENTO VALLEY MEDICAL SOCIETY**

Criteria: Candidates for the Golden Stethoscope Award shall be judged primarily for their devotion to patient care, and the medical needs of their community. Recipients of the Golden Stethoscope Award typically have demonstrated a career that is clearly oriented to their practice and the care of their individual patients in an environment of unselfishness, compassion and empathy. The candidates shall have been members of the Medical Society for at least 15 continuous years and may be in active practice, retired or hold an administrative position. Anyone can nominate a physician for consideration to the Scholarship & Awards Committee. Nominations are usually considered in November for presentation the following year.
