1 de septiembre de 2021

Sociedad Médica de Sierra Sacramento Valley
5380 Elvas Avenue
Sacramento, CA 95819

Querida comunidad,

Somos sus médicos. Nos han honrado al confiarnos su vida, así como la vida de sus seres queridos. También somos sus vecinos, sus amigos y sus familiares. Compartimos con ustedes un profundo amor por esta región y por nuestras comunidades. Como usted, soñamos con un futuro seguro y sin COVID.

Por favor vacúnese. Se lo pedimos desde el fondo de nuestro corazón. Como médicos suyos y como personas con las que ha trabajado, jugado, reído y llorado, debemos admitir que estamos cansados. Seguiremos trabajando, por supuesto. Pero estamos cansados. Estamos cansados del sufrimiento, el dolor y la muerte que se pueden evitar vacunándonos.

Hemos estudiado los datos y hemos visto los beneficios de la vacunación con nuestros propios ojos. Las vacunas están bien probadas, son muy seguras y extremadamente eficaces. Sí, ponerse el cubrebocas debe continuar, especialmente con la variante Delta que es altamente contagiosa. Pero nada es tan importante como estar vacunado.

Nos ha confiado con todos los demás aspectos de su salud. Confíe en nosotros con esto. No le estamos pidiendo que haga nada que nosotros no hayamos hecho ya. Por favor, por el bien de nuestra comunidad: los jóvenes, los ancianos y todos los intermedios, vacúnese.

Firmado,

Sus médicos

Programe su cita para recibir la vacuna comunicándose con su médico o visitando https://myturn.ca.gov/es_US.html.

###

La Sociedad Médica de Sierra Sacramento Valley (SSVMS) tiene más de 6,000 médicos miembros en la región de Sacramento. SSVMS ofrece defensoría, programas y servicios para promover el acceso a atención médica de calidad y para ayudar a los médicos a recuperar la alegría de practicar la medicina.
