

# CLEARING THE AIR

LEARN THE FACTS ABOUT VAPING IN OUR COMMUNITY

Join us for an important panel discussion on teen vaping.

# TEEN WELLNESS EVENT

- Discover relevant statistics, uncover truths vs. myths, and understand why it's important to talk to your kids at a young age about vaping
- Learn how to spot signs of use/addiction and how to get support
- Panelists from local organizations, including Pleasanton Unified School District, Pleasanton Police Department, and Teen Esteem.
