

## UConn Hartford *Community Engagement Grant*

*The following rubric will govern how applications are evaluated*

[Updated 1/24/2023]

	<b>3 - Excellent</b>	<b>2 - Good</b>	<b>1 - Needs Significant Revision</b>
<b>NEED</b>	Proposal clearly and comprehensive articulates and demonstrates the need for the service/product.	Proposal is persuasive but lacks details about how the service/product will meet the needs of students on campus.	Proposal is vague, short, and does not persuasively articulate a need for the service/product.
<b>NON-REPLICATION</b>	Proposal clearly and persuasively demonstrates why existing UConn resources do not meet the articulated need.	Proposal clearly asserts that existing UConn resources do not meet the articulated need but does not adequately demonstrate it.	Proposal either replicates an existing UConn service or does not demonstrate how the product/service is novel.
<b>IMPLEMENTATION</b>	Proposal clearly and comprehensively articulates and demonstrates the implementation process for the service/product.	Proposal broadly outlines the implementation process but does not describe it in detail or stages.	Proposal lacks a clear understanding and plan for how the produce/service will be implemented
<b>BUDGET</b>	Proposal includes a clear and comprehensive (itemized) budget proposal.	Proposal includes a projected budget but lacks clarity and/or itemization.	Proposal includes a projected cost but does not demonstrate a clear and itemized budget.
<b>TIMELINE</b>	Proposal includes a clear, feasible, and effectively paced timeline.	Proposal includes a projected timeline but does not describe it in detail or stages.	Proposal includes a projected timeline but lacks significantly lacks clarity and pace.
<b>OUTCOMES</b>	Proposal clearly and persuasively articulates and demonstrates how the service/product will advance equity, inclusiveness, and service on campus.	Proposal persuasively asserts the outcomes the product/service will bring but does not adequately demonstrate it.	Proposal does not persuasively articulate how the service/product will advance goals/outcomes and benefit the broader community.
