6. New and retiring members

The Chairman advised that he was still waiting on confirmation from some members on membership renewal.

The Chairman reminded everyone that as a club we had made a decision to increase the membership to 25, and this level should be maintained for 2018. No new members were proposed at the AGM awaiting confirmation of the final renewal position.

7. Subscriptions

The Chairman noted the annual subscription is constantly under review against rising venue costs, membership numbers and prize monies paid out; however based on the accounts as a club we had made a loss in 2017 even with 25 members.

Noting the increasing cost of the match venues (contributing to the 2017 loss), it was proposed that the membership subscription should be increased to £90.00 (based on a 25 membership level). The Chairman reminded everyone the annual subscription had not increased for a number of years and this would need to be monitored regularly on the reporting of the annual accounts.

The increase in the membership subscription to £90.00 was proposed, seconded and agreed

The Chairman and Treasurer reminded members that subscriptions must be paid before the first match annual subscriptions can be paid on the day prior to draw, or cheques can be sent to Robin Ivison beforehand.

8. Club Rules

The Chairman reminded everyone on the existing rule regarding "clipping up" before the match start, this rule has always been there and members should respect this rule in that ONLY a bomb or plummet can be used. (NO FEEDERS or METHODS allowed for clipping up prior to the whistle).

9. Pairs and individual Draws

11. Any Other Business

- a) The Chairman asked for a change to the weighing in committee so this was known and agreed for each match and not based on the lowest first three pegs drawn. This was agreed with match committee names to be confirmed, with Alan, Robin, and Mark Dennahay offering support. This was agreed and it was noted the Club's match rules may requiring changing as a result.
- b) Due to the time to get organised after the match draw It was agreed that matches would now start at 10.15am with the draw taking place at 8.15.
- c) Robin suggested as a club we should buy a weighting in mat, (funded by the club) this was agreed.
- d) Tony Bearcroft advised as the club results were now electronically stored and posted on the club website the keeping of paper copies (within the year books) had stopped and was unnecessary, this was noted and accepted, Alan and Tony agreed to see if the historical club books could be copied electronically.
- e) Christmas Curry – Adam agreed to organise the Christmas curry night for 2018
