

**NORTH COUNTY BRANCH LIBRARY**

**TWEENZ - Grades 1-5**

**Mad Science Presents:**

# **The Science of Magic Workshop!**

The secrets of magic are explored in this fun class. The children watch as the Mad Scientist changes water to grape juice and back again as well as several other captivating tricks. The class will get to experience Houdini's chain escape first hand and make their very own magic trick to take home and amaze their family!

**Tuesday, February 13, 2018**

**6:30-7:15 PM**
