

Dear Family and Friends,

My school, Immaculate Conception School in Annandale New Jersey, is hosting its 2nd Annual Trek for Tech Walk-a-Thon on September 30th.

Funds raised will be used to purchase one-to-one student devices, teacher devices, and technology equipment to support the development of our STEM program and Innovation Lab.

Will you consider sponsoring me while I participate in the Trek for Tech event at Immaculate Conception School?

A sponsorship of just \$25-\$50 can make a huge difference in our Blue Knight community.

Please mail your donation via the enclosed addressed envelope. I appreciate your support!

God Bless,

Immaculate Conception Student

Cut here and mail below with donation. Thank you.
