# WELCOME TO Y SUMMER DAY CAMPS!

Dear Camp Families,

It is my pleasure to once again open registration to our marvelous day camps. It has been my privilege to watch hundreds of children come through our camp programs in my 20 plus years working with the Hunterdon County YMCA. Today parents that were once campers, and in some cases counselors also are now sending their own children to camp. The circle is complete! It is true.... camp holds a special spot in each counselor and campers heart. Whether a new skill was learned, a lifelong friendship was forged or you earned your first character development award, an awesome memory was created and will not soon be forgotten.

I continue to be amazed by the high energy, talented and dedicated camp staff that all our camps share. Becoming a staff member at one of our camps is truly an honor and not an easy process. We receive a far greater number of applications than we have positions for and through our dynamic and engaging interview process we are able to select the best staff to be on our team.

I look forward to welcoming back all our returning campers and families along with meeting our new friends that I hope find camp as wonderful as I do.

Warm Regards,

Kristin Heimall, Senior Program Director

## COUNSELOR IN TRAINING PROGRAM

**At Camp Carr, Sports Camp and South Camp**

Ages 13 to 14 years old

Available at Sports Camp, Camp Carr and South Camp

Counselors in Training will have the opportunity to make new friends, build teamwork skills and have a great time being a part of the YMCA summer. At the YMCA we take the Counselor in Training Program very seriously. We are looking for youth that embody our core values of caring, honesty, respect and responsibility. This program gives participants the opportunity to place the needs of others ahead of their own, share what they have learned and be a role model for younger campers.

### How to Become a CIT:

All new CITs may not register until they have been through the interview process and accepted into the program. CIT Candidates must either download or request a CIT application. After it is complete it must be sent into the Deer Path Branch, Attn: Kristin Heimall.

Interviews are scheduled first based on the quality of your applications and secondly on when we receive it. Applications can be mailed or dropped off. Please do not fax or email.

Second Year CITs - may register at any point once registration is open. There is no need to reapply once you have been through the interview process and participated as a CIT.

Please note that being part of the CIT program does not guarantee employment.

At Camp Carr the program is separated by first and second year CITs due to the popularity of the program.

The first year Camp Carr CIT program has been developed to pay special attention to developing the leadership skills of participants. This program in comparison to second year CITs will focus on building leadership skills, learning about the developmental stages of children, exploring the benefits

of volunteer experience and philanthropic opportunities.

Camp Carr second year CITs spend a large portion of their day interacting with age appropriate groups (campers 4 to 10 years old). They will review skills learned from the previous summer, along with taking part in new activities that enhance leadership skills.
