Welcome

Every summer has a story... we invite your child to write theirs with us!

At YMCA of Bucks and Hunterdon Counties, we help foster personal growth and life long friendships for children by providing them with fun, safe, educational and recreational camp programs. All of our outdoor experiences, group activities, sports and arts are facilitated by our exceptional, highly motivated staff.

Our diverse weekly themes will guarantee that no 2 weeks will be the same. As the author, character and illustrator of your child's own personal story, they will sure have a lot to write about. Let us help to make the summer of 2023 one for the "books".

WHAT PARENTS ARE SAYING...

My son, asked me tonight if he's going back to Camp next summer because he and his friend "pinky promised that they will see each other again next summer!" I thought that was the cutest!

My kids made life long friends, learned tons of stuff.

Summer #6 in the books. Camp Carr never disappoints!

My kids are already planning 2023...they had an awesome time at camp.

It's so nice to see our kids having so much fun!

Please note: The above example is only a recommendation. You are welcome to register your child for any group that has the appropriate age listed.

Ability Camps

Ability camp is a "camp within a camp" designed for youth who, in order to be safe and successful, require smaller ratios than what you may find in a traditional camp environment. Ability camp is a fully mainstreamed, inclusive program that provides support for children and adolescents entering grades Kindergarten through age 12 in smaller ratios, alongside their age-similar peers of all abilities. Counselors work to provide physical, emotional, behavior, and cognitive support to help campers fully participate and succeed in outdoor/indoor camp activities.

To be successful, in Ability Summer Camp, campers should be mainstreamed at least part of the day during school and be successful in a 1:3 ratio. Campers also must be independent with toileting and feeding. Students who require 1:1 support for any of the above are welcome at Ability Camp with the assistance of a personal care aid, TSS, or other support person provided by the family.

Ability Specialty and Sports Camps K-7th Grade

Ability Adventure, Specialty and Sports camps are immersive, mainstream-inclusive summer camp programs for children and tweens entering grades Kindergarten through 7th with intellectual, developmental, and physical disabilities or behavioral health concerns.

An application is required for all Ability Summer camp programs. For more information about Ability Summer Programs view a brochure on our website at ymcabhc.org/camp or email kheimall@ymcabhc.org.

Counselor in Training

Ages 13 to 14 years old

Counselors in Training will have the opportunity to make new friends, build teamwork skills and have a great time being a part of the YMCA summer. At the YMCA, we take the Counselor in Training Program very seriously. We are looking for youth that embody our core values of caring, honesty, respect and responsibility. This program gives participants the opportunity to place the needs of others ahead of their own, share what they have learned and be a role model for younger campers.

How to Become a CIT:

CIT Candidates must either download or request a CIT application. After it is complete it must be sent into the Deer Path Branch, 144 West Woodschurch Road, Flemington, NJ 08822 Attn: Andy Cogen, or emailed to acogen@ymcabhc.org for review and consideration. Deadline for applications is April 30.

You will be contacted by listed email once your application has been reviewed so you can register. Registered CITs will be invited to a pre-camp training, usually held in June.

Second Year CITs may register at any point once registration is open. There is no need to reapply once you have been through the application process and participated as a CIT.

Please note that being part of the CIT program does not guarantee employment.

The first year CIT program has been developed to pay special attention to developing the leadership skills of participants. This program in comparison to second year CITs will focus on

building leadership skills, learning about the developmental stages of children, exploring the benefits of working cooperatively other youth.

Second year CITs spend a large portion of their day interacting with age appropriate groups (campers 4 to 10 years old). They will review skills learned from the previous summer, along with taking part in new activities that enhance leadership skills.

All Counselor in Training Sessions are one week options.
Camp Carr: June 19th – August 31st (Session 1 – 11)
Deer Path Camp: June 19th – August 31st (session 2 – 10)

Each day will involve dance instruction, stories, crafts, and dance activities. Attire for dance portion of the day is ballet slippers and a leotard.

Construction Camp

A variety of inventive projects will be created throughout the week to allow campers to practice their engineering and design skill. Campers will transform ordinary objects such as cardboard, craft sticks, legos, and duct tape while overseeing their own construction projects and discovering the world of design and development.
