Event Description:

This Soccer Challenge is sponsored by the Knights of Columbus and is open to girls and boys ages 9 to 14. The competition is designed to demonstrate the most basic of soccer skills – the penalty kick. Each player will be allowed 15 shots at an empty goal from the designated penalty line for their age group. The goal is divided into a grid of scoring zones. Each kick scoring within the upper corners earns 20 points, lower corners 10 points, and within the central zone earns 5 points. Winners of the ICS event are invited to advance to the Metuchen Diocese semi-finals starting at 12 Noon at the same field.
