

The Plainfield Public Library is excited to announce registration is now open for our summer reading program!

Due to current circumstances our program is different this year.

We encourage children of all ages to register and participate.

This year we will be using Beanstack to help keep track of your reading.

Participants will register online to create an account. A child or their parent/guardian can log book titles they have read and do challenges.

Our reading program begins June 21st and will end August 13th.

At the end of the program children that participated will be able to come to the library and pick up a prize bag on August 13th!

To register for our summer reading program visit our website:
plainfieldfreepl.beanstack.org

If you have any questions please feel free to email our Children's Staff at yp@plfdpl.info
