

Mayor Adrian O. Mapp
Plainfield City Council
Division of Parks and Recreation

**Treats for Tweets
and Backyard Bird Count**
Sunday, February 14
1:00 pm to 2:00 pm
Audience –
Families and
Children ages 5 and up

What do birds eat? Learn more about bird beaks and what different birds eat. We will also make a special bird feeder together for you to put out at home! We'll also make a list of the birds we see together and submit it online for the Great Backyard Bird Count. This program includes a craft kit. In partnership with New Jersey Audubon.
