

# thousands of magazines

**Did you know that you can access several thousand different magazines - in English, Spanish and a variety of other languages - for free, using your library card?**

You can check out magazines from <https://elibrarynj.overdrive.com> for free, just like you would with books or audio books. And there's a HUGE selection of magazines to choose from.

Our print magazines will be back, but in the meantime there is a whole world of electronic magazines on a vast variety of interests to select from.

Head to Overdrive, or use the Libby app to access more magazines, ebooks, and audiobooks than ever before!
