Joint Holiday Dinner Reservation Form

Ports of Philadelphia Maritime Society World Trade Association of Philadelphia

These organizations were formed to serve as a liaison for members involved in or interested in many facets of the international trade and transportation industry.

Their memberships include both businesses and individuals in banking, customs, house brokers, freight forwarding, motor freight, maritime & transportation law, river piloting, regional port authorities, shipping agencies, federal agencies & many more.

Since their inception, they have conducted numerous educational dinner meetings to help make your staff more knowledgeable and in turn, your company more profitable and competitive.

The board of the organizations appreciate your generous contribution or sponsorship to help defray the cost of our annual event. As always, we thank you for your support & will acknowledge all contributions & sponsors.

Please RSVP by November 23, 2022
