

Biography of Prophet Bryce Graham

Prophet Bryce Joseph Aaron Graham has been ministering & working faithfully in the American church since he was a two-year old toddler at which time he received his first ministerial robe. In 2006 he was declared a Prophet of God and sent forth to fulfill the work and grow therein under the guidance of his pastor & the Holy Spirit. Born July 29. It didn't take him long to walk forward into Gods purpose for his life.

Prophet Graham is the son of the Late Benjamin Newton & Michelle D. Graham. He is the youngest of three and has a pedigree of educators and ministers on both sides of his family. Despite his youth, Prophet Graham moves strongly in the realm of the prophetic ministry and ministers to the young and mature delivering a REAL and RELEVANT yet flawless message of hope, direction, and excellence. Prophet Bryce has the unique ability to compel the people to move beyond mediocrity and embrace excellence and wholeness in their lives. Through his keen gifts, Prophet Bryce has the ability to see potential in people and motivate them to cultivate their gifts and talents that often lie dormant within them.

As a recent High School graduate, Bryce Graham understands the importance of having a solid education and will be returning to Florida Memorial University to specialize in theology. It will be a perfect fit for the Honorary Doctorate in Divinity that he presently holds. Bryce has further aspirations that include political involvement within the Civil Rights movement. He currently holds the position of Florida Regional Director for the National Action Network, Central Florida Chapter. Additionally, he is dedicated to eradicating gun violence within the Palm Beach county and surrounding areas. When he is not teaching and preaching Prophet Bryce can be found on the golf course, traveling or enjoying a good book.

Bryce is now a member of Anointed House Of Prayer Ministries of West Palm Beach, Florida where he serves as Youth Minister. However, his outside platform is fairly busy as well. He has been introduced by Bishop Harold Ray of Redemptive Life Fellowship in West Palm Beach as the, "TEN YEAR OLD PREACHING MACHINE!" At the age of eleven, when Bryce addressed a large crowd during a men's conference, he was introduced by Bishop Mayor Thomas Masters as the "WONDER BOY PREACHER". Just two years prior, Bishop Knowles of Breakthrough International of Miami, Florida bestowed the title of a Prophet upon young Bryce.

Prophet Bryce Graham has appeared on television shows and has graced pulpits and podiums alike from his home in Florida to California. Other appearances include Club 36, The Word Network and Trinity Broadcasting Network.
