

**Early Learning
Coalition**

The Early Learning Coalition of Manatee County (ELC) is thrilled to introduce **SAIL - Summer Assistance In Literacy**, an **11-week summer program** designed to support early literacy development while providing relief for teachers.

SAIL will be available for children **3-years-old through VPK classrooms** and will use the **Nemours Reading BrightStart!** curriculum - an engaging and research-based program proven to foster kindergarten readiness.

Set Sail for Success: Program Benefits

- Hands-on literacy support:** An ELC Coach will model lessons, giving teachers the flexibility to focus on other classroom needs while gaining valuable instructional strategies.
- Kindergarten readiness focus:** Help bridge the gap between preschool and kindergarten by strengthening early literacy foundations.
- Support for teachers and students:** Children receive the literacy help they need while teachers get additional classroom support.

Interested?

Complete the interest form through the link below, and we will contact you based on availability.
