

FREE FOR YOUR STAFF

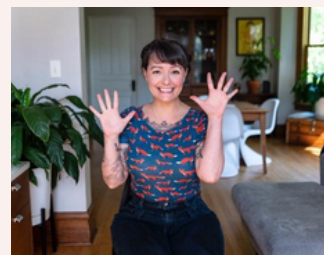

Accredited Professional Development for Your Teachers

Through your ELC's partnership with Tandem, your center gets **free access** to three accredited courses — one tailored to each classroom age group. Every course is six short video lessons plus a guided reflection session your staff can complete on their own schedule.

THREE COURSES

 **Infant & Toddler**

Building Strong Foundations for Our Littlest Learners

Vocabulary development, motor skills, and early social-emotional growth — turning everyday classroom moments into meaningful learning.

 **Toddler & Two-Year-Old**

Supporting Big Feelings and Big Development

Early literacy, early math, emotional regulation, and independence — guiding toddlers through rapid growth with movement, conversation, and play.

 **Preschool**

Turning Curiosity into Learning

Abstract thinking, storytelling, collaborative play, and emotional development — classrooms where exploration and creativity drive learning.
