

TUESDAY TUNE-UP SESSIONS

With Discovery Source

Are you concerned about a child in your care? Do you have questions about challenging behavior and early childhood development?

Connect with our Child Development Team during our Tuesday Tune-Up Sessions with special guest Discovery Source! Discuss trending issues relating to early childhood health, development, challenging behavior, and more!

All sessions are **FREE**, are offered in English and Spanish (different dates), and are held virtually via Zoom in the evening for your convenience. **Register in advance** for one of our May 2025 sessions today and join the discussion! **Once registered you will receive a confirmation email with information on how to join the meeting.**

Building Positive Classrooms: Tools and Techniques from the Behavior Prompt Kit

Join us for a focused session exploring the Positive Behavior Prompt Kit, designed to enhance self-regulation, problem-solving, and effective transitions in young learners. This training will introduce participants to essential questions, prompts, and vocabulary that support routines, positive attention, and emotional expression. Ideal for educators and caregivers, this session provides practical tools to integrate positive behavioral supports into daily interactions with children, fostering a nurturing and supportive learning environment.

Construyendo Aulas Positivas: Herramientas y Técnicas del Kit de Comportamiento Positivo

Únete a nosotros en una sesión concentrada en la exploración del Kit de Comportamiento Positivo, diseñado para mejorar la autorregulación, la resolución de problemas y las transiciones efectivas en nuestros pequeños aprendices. Esta capacitación presentará a los participantes preguntas esenciales, indicaciones y vocabulario que apoyan las rutinas, la atención positiva y la expresión emocional. Ideal para educadores y cuidadores, esta sesión proporciona herramientas prácticas para integrar apoyos positivos en las interacciones diarias con los niños, fomentando un ambiente de aprendizaje acogedor y de apoyo. **¡Regístrese hoy!**
