The Compeer Youth Program Keeps Growing!

In the fall of 2019, we launched our third Compeer program focusing on school-aged children and youths. We started at Cedar Crest High & Middle School matching students in need.

Three years later, youth program coordinator Judy has grown the program within three local school districts and partnered with Big Brothers Big Sisters of the Capital Region to provide the best services to our school-aged youth. We are proud of our Compeer Youth Program and look forward to growing-up within Lebanon County Schools.
