

PROGRAM UPDATE!

Hello Compeer friends! A lot has been going on since we last checked in; we completed another successful CompeerCorps Warrior fundraiser, raising over \$10,000 for the CompeerCorps program. We welcomed multiple new matches into Compeer and CompeerCorps, and we are getting ready to bring in another Lebanon County school to the Compeer Youth program.

Our socials have seen good numbers as well. The Coffee & Camaraderie Veteran breakfast grows each month, and with our monthly socials as well as wellness walks and Bring Your Own Craft events there's always something for our Compeer friends to do!

We'd like to thank each and every Compeer client, volunteer, organization, and community member that has helped our organization continue to grow. Thank you for being a friend!
