

EXCITING CHANGES FOR COMPEER!

Ever since the departure of our former executive director Kendra Elliott as she accepted a position at Compeer International, we've been looking for someone new to lead Compeer. Today, we're proud to announce that Dr. Martha Thompson has accepted the position and is Compeer of Lebanon County's new Executive Director!

You may know Dr. Thompson as the founder and head of Empower the Mind LLC, an organization in Lebanon County that provides mental health and addiction clinical services. Now, she's bringing her expertise to Compeer as we continue to grow our services throughout Lebanon County.

Everyone give a big warm welcome to Dr. Martha Thompson, Compeer's new Executive Director!
