WHAT YOU GAIN FROM DISPATCH
 55 Hours a Year per Machine
 5 Acres and Hour per Machine
 80% Less Call Volume to Your Applicator

Take command of your fleet with Dispatch from SOILMAP. Dispatch is an efficient and cost-saving method to manage your applicators by sending them to the correct field in a timely manner.

The power of Dispatch is unmatched. It provides accurate fleet location, shows start and completion time of a job, tracks road time, sends job to applicator via email and texts, and monitors all jobs at once.

Efficiently tracking your applicators saves valuable time and mileage.

- Schedule Work Orders
- Assign Equipment
- Monitor The Work
- Application Details & Tracking
- Applicator Knows There In The Right Field

BENEFITS of DISPATCH
