

The Medicare Open Enrollment Period runs from **October 15 to December 7**, and it's the perfect time for Medicare recipients to review and make changes to their coverage. This year, **Oxford Seniors is proud to partner with the Ohio Senior Health Insurance Information Program (OSHIIP)** to offer two informative events designed to help you make the best Medicare decisions for your needs.

### **Medicare Open Enrollment Information Session**

**Monday, September 23 at 4:00 PM**

Join us for a comprehensive overview of the Open Enrollment process. We'll explain how it works, what options are available—including Medicare Advantage and stand-alone Medicare Part D plans—and how to evaluate what's best for you. Whether you're a Medicare recipient or a caregiver, this session is a great opportunity to learn more and get your questions answered.

### **Medicare Check-Up Day**

**Wednesday, October 30 from 10:00 AM to 3:00 PM**

Get personalized help during this one-on-one event. Appointments will be available with an OSHIIP counselor to review your current Medicare Part D (prescription drug) coverage and compare plan options for the upcoming year. This check-up can help you ensure you're getting the most value and coverage from your plan.

**Register for either event by calling Oxford Seniors at 513-523-8100. Events are open to any Medicare recipient or their caregivers in Butler County.**

Our own OSHIIP-certified counselor, **Sabrina Jewell**, is also available year-round to answer any Medicare-related questions. Don't hesitate to reach out—we're here to help!
