Welcome to the Home of Champions

On behalf of our faculty, staff, and students, I am pleased that you and your family are interested in the Home of Champions. As a proud alum, I can speak with great certainty regarding the benefits of a Benedictine education.

Benedictine is an institution that provides pathways for academic excellence for a wide range of learners. Our challenging and creative curriculum offers a combination of 21 College Credit Plus and Advanced Placement options. It is possible to receive nearly 30 college credits without leaving the comfort of our campus. Our small community is a safe and prosperous environment where we can personalize each student's experience and encourage them to take leadership roles in numerous ways.

Benedictine's diverse student body is a cross-section of the City of Cleveland and six surrounding counties, and it has been for decades. Our young men are encouraged to grow in faith and strive to understand and respect the beliefs of others.

When you attend Benedictine, you gain a team of educators, professionals, peers, coaches, mentors, and brothers. We aim to partner with families not only during your high school years but well beyond. The Benedictine brotherhood is a bond that lasts a lifetime.

Good luck with your high school selection process. Thank you for exploring all that Benedictine has to offer. We hope you take the next steps and become a Man of Benedictine.
