

## **ENGLISH CONVERSATION CIRCLES**

At First U we are involved in welcoming New Mainers, and supporting the creation a culturally diverse Maine.

If you would like to try out our English Conversation Circles on Wednesdays from 5-7pm, please contact Rev. Jennifer Emrich: [revjemryq@gmail.com](mailto:revjemryq@gmail.com) for your chance to converse with folks who are learning or polishing their English as they adjust to a new life in Maine.

Each session is facilitated by one of our volunteer leaders; your job is to smile, listen and chat! This is a great way to make positive connections with our new neighbors and to learn a great deal about why and how people are immigrating to Maine. Please join us!
