

RE-inspire your week!

SUNDAY, APRIL 12	MONDAY, APRIL 13	TUESDAY, APRIL 14	WEDNESDAY, APRIL 15	THURSDAY, APRIL 16	FRIDAY, APRIL 17	SATURDAY, APRIL 18
 <p>Watch and listen to the story during Time for All Ages as part of the Worship at Home virtual service. This week's story is <i>When Spring Comes</i>. How do you celebrate the changing of the seasons? Are you celebrating Easter or Passover with your family?</p>	<p>Meet the new ministerial candidate - virtually! Discuss what it means to be a minister, what a minister's job is in a church community, and why so many grown-ups are excited about a new minister for First Universalist.</p> 	<p>Want to show your appreciation for our healthcare workers? Call the health hero hotline</p>  <p>to leave a message of gratitude, love, hope, and support. To leave a message, call 877-226-4376. This is one great way to say thank you to those working to keep us healthy.</p>	<p>One ceremony you can do at home is rising waters. Fill a shallow dish with water, find shells, pebbles, or marbles, and take turns sharing what fills your heart up with gladness.</p>  <p>After speaking, add your pebble and watch as the water rises with each contribution.</p>	<p>What are your favorite songs, clips, or videos? Share some of your favorites together and talk about what parts you like, what you find inspiring, and what just makes you laugh.</p> 	<p>Explore parts and wholes in nature.</p>  <p>Go outside to collect leaves, petals, sticks, pinecones, acorns, etc. Start by deconstructing these items and then see if you can rebuild them into new patterns or designs. Save them or allow them to go back to nature.</p>	<p>One of things that makes UUs unique is that we are a community of people with shared values and different beliefs—and we think that's a beautiful thing! You can represent that with water and oil painting. Put droplets of oil in colored water, then dip paper in for a cool effect!</p>
