

MAINE FARM SUPPERS

Local Food – Local Farms – Local Church

February 11th marks our 8th Maine Farm Supper, and we want YOU to get involved! Although the supper itself is an all-inclusive locally-sourced feast, it's our wonderful First U community working together that MAKES the event.

Seasoned volunteers can tell you that prepping and serving this meal together is loads of fun...a great way to connect with each other and meet new people. Keep February 10th and 11th open so you can join us, and watch for volunteer opportunities in upcoming issues of Channels, as well as downstairs at coffee hour.
