

Insulating Window Inserts from Window Dressers

Is your home chilly?

First U is partnering with UCC Cumberland to offer low cost insulating window inserts from Window Dressers for residents of Yarmouth, North Yarmouth, and Cumberland. A 'Community Build' is scheduled for October, but window measurements need to be taken now.

To participate, see Marge at coffee hour (or call 846 4765) or visit Window Dressers' website (<http://windowdressers.org/>) for more information or to place your order. Cost is less than \$2.50 per square foot, they are easy to install, last for several years, and lower your heating costs.

This is a wonderful opportunity!
