Children and Youth Program Offerings 2017/2018

The First Universalist Church of Yarmouth

Nursery Care

Purpose: Our Nursery is a safe and inviting place for our youngest friends and members to play on Sunday mornings, and during all major church events.

Schedule: Every Sunday at 10:30 am

Children's Chapel

Purpose: Joining other children on Sunday mornings can help your child to create friendships and explore the same worship and religious education themes in which the adults are finding inspiration. A mix of stories, games, celebrations, shared snack, activities and group discussion allows all children to chime in with their big questions, and helps them to find their own answers.

Schedule: Every Sunday at 10:30 am

Children's Tea & Games

Purpose: Knowing that children use play to try out different identities, ways to behave, and how to navigate our world, Rev. Jennifer leads children in a variety of games that are infused with Unitarian Universalists principles, involve cooperation and team-building, and are just plain fun.

Schedule: One Sunday per month at 11:45 am

UU Games

Purpose: Lead by our Red Cross certified senior youth group members, children are invited to play a variety of cooperative, team building, and just plain fun games each Sunday before worship.

Purpose: Our youth groups are based on the four Fs of youth ministry: food, fun, friends, and faith.
