Dear Parents and Caregivers:

Welcome! We are so thrilled to see you here in our 2-17-2018 church year. Thank you for registering your child(ren), providing us with all the contact and allergy information we need to care for our youngest friends and members.

This religious exploration ministry is free to all members and pledging friends of First U. It is also free to first time visitors. For long-term friends who wish to participate but are not church members, please pay a one-time annual fee of \$40 to support Children's RE. Checks should be payable to First Universalist with "Children's RE" in the memo line.

If you are experiencing a financial situation which would make the fee a hardship for your family, please contact Rev. Jennifer at revjemryq@gmail.com and she will waive the fee.

For more information on becoming a member, please contact Gwen Matthews gwenatfirstu@gmail.com. We would love for First U to be *your* church!

In peace and friendship,

Rev. Jennifer Emrich
